

Eastnor Lodge is a vibrant and active lodge that meets in Ledbury. The members of the Lodge focus on enjoying their Freemasonry. Whilst working to deliver good ceremonial work in the Lodge we also we meet regularly with our families to enjoy social events. We work closely with local charities to raise funds through events such as completing the Coast-to-Coast cycle ride in 2019 and the 3 peaks challenge this year.

Eastnor Lodge is proud to still meet at the Feathers Hotel where it was founded & first met on 20th September 1858

Freemasonry means so many different things to so many of us but at its core is caring for others as well as charitable endeavours. Freemasonry provides a unique environment for people from all backgrounds to learn skills and form lasting friendships. You'll regularly find our members engaging in the local community in which we live and seeking to help and benefit groups whenever we can.

The membership of Eastnor Lodge is drawn from a wide range of backgrounds and ages this helps to keep the lodge relevant to all. With a core value to ensure that all members enjoy their Freemasonry and is supported by a thriving social calendar which includes our families & friends.

“Family, Business, Freemasonry” is the set of priorities all masons abide by. We support and encourage our newer members to advance as they are able, ensuring it matches their needs and that of their family.

Our aim is to make good men better by helping them to be conscious of the needs of those less fortunate, both masons and non-masons alike.
