Entries for Coxed 4s sprints competition for the Rex Delicate Cup are invited at £50 / crew  
This is a fun day (if competitive) and it is rowed in "Fat Boats" which are used to train people new to the sport and are more forgiving than the usual "fine fours" used at normal club regattas.

It is a short course – about 250 metres – but you really have to have some experience of rowing to enter. If you are a oarsman and unattached please let us know and we'll do our best to match you with a crew. Minimum 2 masons rowing in each crew.  
Mixed crews with ladies on the oars will be new for this year.

For Rowing entries and more information as it becomes available
