

SAINT PETER'S LODGE PROFILE

The formation of a Masonic Lodge in Bromyard was prompted by the Beeching report to cut the rail links in rural areas thereby preventing Bromyard masons travelling by train to Hereford, Ledbury and Leominster. Preliminary talks were held in 1953 which resulted in the formation of the Saint Peter's Lodge No 7368 in 1954.

The name of the lodge was taken from Saint Peter's Church above the door of which is a stone carving of Saint Peter holding the key to the door to Heaven.

The Lodge was consecrated in March 1955 and first met at the Falcon Hotel until in 1980 the present Masonic Temple was acquired and the first ceremony conducted in 1981.

Saint Peter's membership is primarily comprised of agricultural, artisans and entrepreneurs; and as industry expanded, Saint Peters was able to attract from a wider selection of the local workforce.

The Lodge meets in its own premises, Bromyard Masonic Hall, on the fourth Wednesday of October, November, January, February March (installation) April and May. We have recently moved start time back to 6.30 to enable more time for business men, farmers and younger brethren to attend.
